FOR YOUR CONVENIENCE

To enhance our beauty and serenity PLEASE:

At Knollwood Memorial Park we are dedicated to providing the highest level of quality and service. Our Welcome Center is open throughout the year Monday - Saturday and there is always a staff member on site to assist you. We provide lot location maps and information, directions within the park and we can escort visitors if they are not familiar with a location. A member of our staff can prepare these items for you.

Additionally, please note that when you are planning a visit to the park we offer the courtesy service of cleaning the plaque and grave area. In the winter, we will clear a path to the location and clean off the plaque. These services are time and weather permitting... please be sure to call ahead at least two days in advance.

- Leave natural flowers only (no artificial flowers, balloons, pinwheels, plant hangers, baskets or other items).
- Do not place any stones or other hard objects on the bronze memorials.
- Potted plants, planting or digging are not permitted.
- Return water bottles to the Welcome Center.
- Park vehicles on the roadways only.
- Use vases from the months of April through November.
- Place American flags at graves only on Memorial Day.
- Refrain from recreational bicycling, roller blading and bringing animals to the park.

**Please call for a schedule of holiday closings.*
